Directed Studies Application

Part A: To be completed by the student

Date:	Course name:	
Student name:	Course number:	Credits:
Student number:	Course title:	
Student email:	Supervising professor:	

Part B: To be completed by the professor in consultation with the student

Course methodology (check one):			
	Research (generation of original data)		Lecture/Seminar
	Readings (in-depth literature review)		Other (please specify):

Please attach a course syllabus that includes:
- a course description;
- expectations;
- evaluation and deadlines (list each component as a percentage of the final grade) (please specify if an iterative writing process is used instead);
- number of student -instructor contact hours per week, and the number of hours student is expected to work independently per week (these should total at least 8 hours per week, and not more than 12) (more than 12 hours requires additional explanation);
- where applicable, define the role of the supervisor and co-supervisor for this project.
